Awards of Aoralscan 3 Global Chief Experience Officer

Dear Mr. Jiří Sedláček,

Thank you very much for your continuous support, especially for your clinical test and your valuable experience report before the launch of Aoralscan 3 in 2021. Having your cooperation and great input make our products better and better.

You have made an important contribution to the development of SHINING 3D in the Czech and Slovak markets. We look forward to further and amazing case studies and collaborations in the future, continuously give us feedback for improvement suggestions to optimize the user experience for the local market. We hereby award you as our Global Chief Experience Officer and wish you continued business growth in 2022.

Go Digital with SHINING 3D !

Best wishes,

Zhen Zhang | Account Manager & Quality Management Representative EMEA
